

Working Family Farm

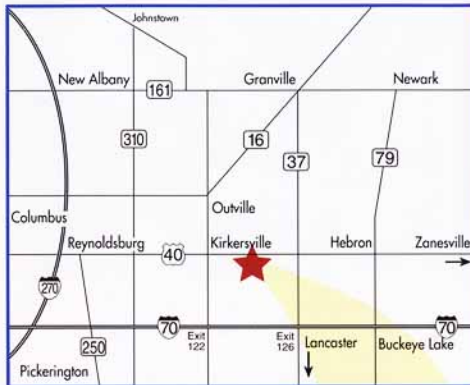

Visit **Pigeon Roost Farm** to see a working family farm. Named after the now-extinct passenger pigeon that once had the largest roosting site in the country on this farm and adjacent area.

Open daily
10:00 AM-7:00 PM
From
Mid-September
through
October 31

Call to schedule
school or
corporate outings

in the Country**
Mid-September through October

Visit Our Barnyard Animals

Pet and feed a goat or lamb, enjoy a donkey ride, and look for our many "feathered friends." Our animals love being the center of attention.

School Tours & Corporate Outings

Pigeon Roost Farm offers a unique farm experience. Explore the century old barn, "drive" an antique tractor, look inside a working beehive, and learn about our fall produce. School and corporate groups can also go into the fields and pick their own pumpkins.

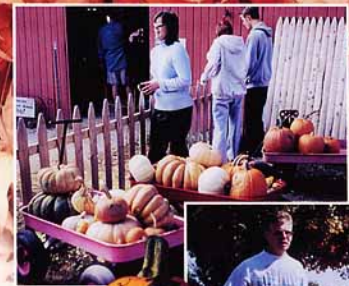

Kids Love the "Fun Center"

If you haven't visited Pigeon Roost Farm you are missing a real treat. Kids love the train, straw tunnels, tube slides, giant "corn" sandbox, large rocking horses, and barnyard animal petting area.

Challenge the Corn Maze

Test your navigating skills in our corn maze—see if you can beat the rest of your family to the end. Each year, owners Ralph and Janice Jutte design a brand new maze for your enjoyment.

All Sizes of Pumpkins

Visitors can purchase the perfect pumpkin for their jack-o-lantern. We grow over 18 varieties of pumpkins and more than 20 varieties of winter squash. We are a one stop shop for all your fall decorating needs—cornshocks, straw bales, Indian corn, gourds, mums, fall crafts and decorations.

Special Weekend Events

And don't miss the weekends at Pigeon Roost Farm when the fun includes...

- face-painting
- donkey rides
- ice cream
- horse drawn wagon rides
- food and refreshments
- much much more...
